

Tom Cochrane - GOOD MAN FEELING BAD

|Em | |G | |Em | |G |

[Em] I can't eat, I can't sleep.
[G] I'm so vain, I'm sometimes so weak.
[C] I didn't mean to [D] hurt you,
[C] Sometimes I just [D] don't think enough.

[Em] I'm a sane man gripped by my duty,
[G] Something lately has really gotten to me.
[C] I tell myself that [D] things don't change,
[C] And all the time I [D] know that they do.

[C] I don't want to [D] conquer the world,
[G] just live in your world with [C] pride.
I hope that [D] you can understand,
that [Em][C] I'm a [D] good man, feeling [G] bad.

[Em] Lights on the highway, hypnotize me
[G] Like sometimes my pride misguides me.
[C] You cross that line [D] when you think
[C] That no one listens, they've [D] written you off the page.

[C] I don't want to [D] conquer the world,
[G] just live in your world with [C] pride.
I hope that [D] you can understand,
that [Em][C] I'm a [D] good man, feeling [G] bad.

[C] I don't want to [D] conquer the world,
[G] just live in your world with [C] pride.
I hope that [D] you can understand,
that [Em][C] I'm a [D] good man, feeling [G] bad.

[C] I didn't mean [D] to make you so [Em] sad,
I'm a [D] good man, feeling [G] bad. [Em]
||: [G] Don't walk away, from me [Em] now. :||
